### Safety Precautions Measures for the fairground

The Organizer and HKCEC will launch a series of precautions measures during the wedding fair.

#### **The Organizer measures include:**

1. All people must complete the Health Declaration Form
2. All people are required to wear mask to enter the hall; otherwise admission will be restricted
3. All people are required to pass the temperature check at the hall entrance before admission. Any person with temperature on or over 37°C will be denied entry.
4. Any people that are under compulsory quarantine or wearing electronic wristband are restricted to enter
5. All people are not allowed to bring along with child aged under 13 for admission
6. There will be 1.5 meter of distance queuing arrangement at ticketing and lucky draw counter
7. Arrange "Intelligent Disinfection Robot" and spray disinfection spray in the exhibition hall regularly
8. Hand sanitizers will be arranged at the Organizer's booth
9. First aid service is available in the fairground

#### **As the venue vendor, the HKCEC will enhance venue's hygiene. Measures include:**

1. HKCEC will clean the facilities, tables and chairs twice a day
2. Clean the floor mattress at HKCEC's main entrance every 2 hours with diluted bleach, and clean and sterilize escalator handrails, door handles, handles and elevator's buttons every hour
3. During exhibition period, there will be janitor on-duty to clean and sterilize in all toilets regularly
4. HKCEC and other restaurants will be rejected any people with wristband or under quarantine, and security guard will report to the police immediately on any violation
5. In each exits and offices in HKCEC, there will be covered rubbish bin for disposal masks

#### **Exhibitors must adopt the following precautions measures. Measures include:**

1. Exhibitor PIC must collect all on duty staff "Health Declaration Form" and return to Organizer booth before show open everyday
2. All on-duty staff are required to wear mask
3. The information desks in booth must be at least 1.5 meters apart
4. There should not be over 4 people gathering in each information desk area
5. There should not be over 8 staff gathering in any booth area and must maintain an appropriate social distance
6. There must be hand sanitizer and disinfectant spray in booth
7. If the booth is not arranged in information desk format, there must be some form of partition which could serve as effective buffer between seats or each pair of customers must be seated with 1.5 meters apart. No more than 8 people, including staff and customers, should stay between each partition
8. The tables and chairs must be cleaned with alcohol spray after each consultation or at least every 2 hours
9. If all information desks are occupied, exhibitors must schedule appointment, no waiting and gathering are allowed
10. No eating is allowed, exhibitors must arrange staff to have their meal outside of the exhibition hall
